Sova je sice noční pták,
nikdo však není moudrý tak.
Pozvala zvířátka na besedu,
učí je lesní abecedu.

Míla je tu sám. I Emil je tu sám.

Toto je náš dům.
 Je velký.
 Má pět poschodí a mnoho oken.
 Jezdí v něm výtah.
 Rád se vozím nahoru a dolů.

Kolik poschodí má dům,
 ve kterém bydlíš?

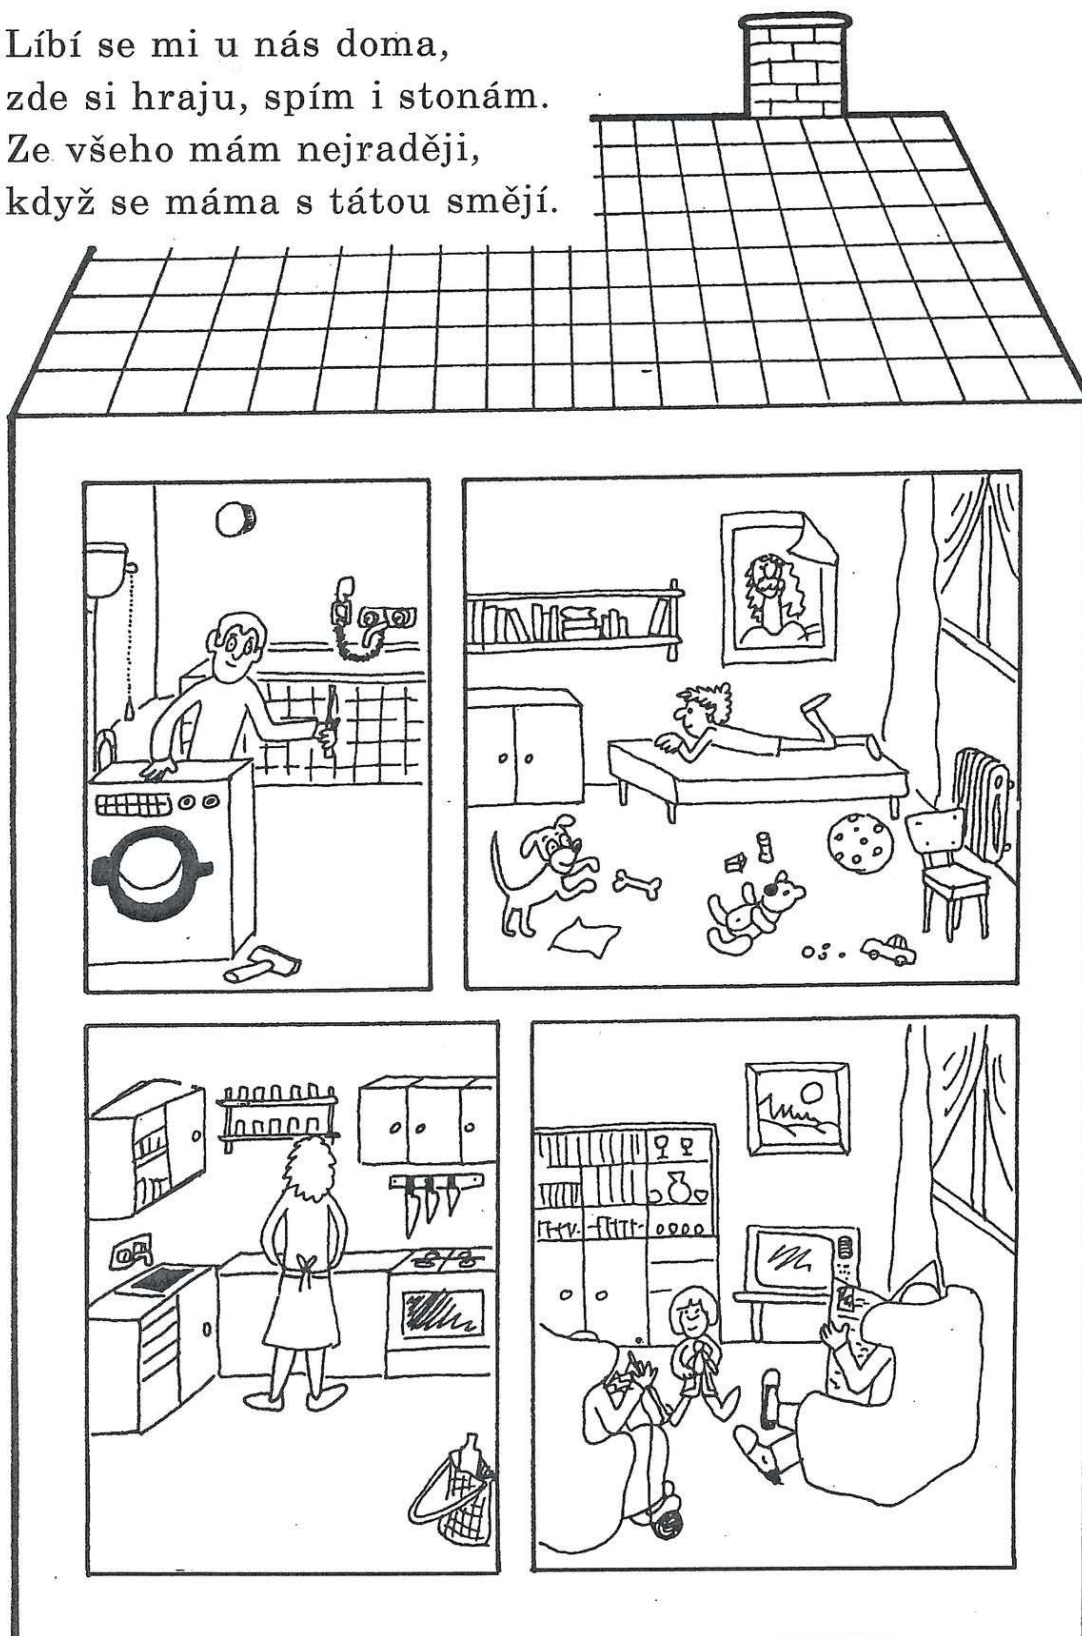

Nakresli ho:

Rozhodni správně:

Líbí se mi u nás doma,
zde si hraju, spím i stonám.
Ze všeho mám nejraději,
když se máma s tátou smějí.

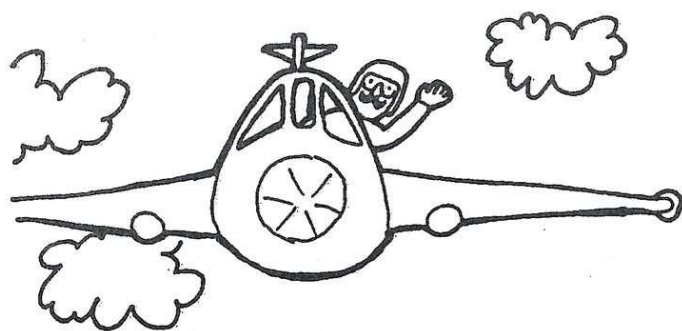

Jana má narozeniny. Maminka upekla dort.
Přišla i babička s dědečkem.
Martin přemýšlí: "Copak Janě dám?"
Už to ví. Dá jí pěknou pusu.

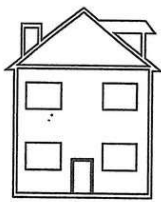

Toto je strýc Jan.
Létá letadlem.
Je pilot.

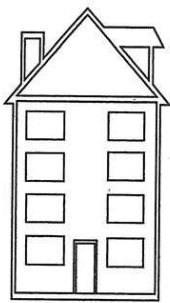

Tady je teta Ola.
Teta je učitelka.
Má ráda děti.

3. Patří k sobě?

4. Kdo to je?

Je to dítě mých rodičů
a není to ani moje sestra
ani můj bratr.
