

Prvního září jsme po prázdninách vešli do školní budovy jako ostřílení školáci. První třídu jsme měli úspěšně za sebou, a tak už jsme věděli, jak to ve škole chodí. Na dveřích ve třídě visela cedulka 2. B. Paní učitelka Veselá nás už znala z 1. třídy, tak nám na lavice napsala, kdo kde sedí.

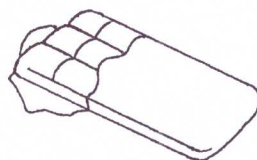

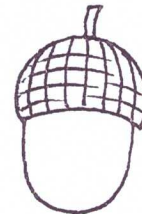

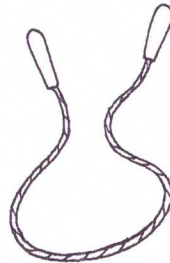

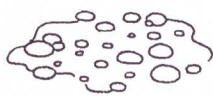

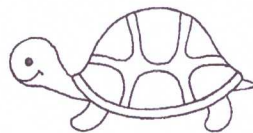

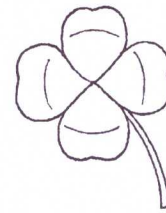

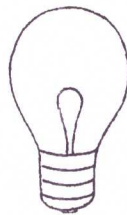

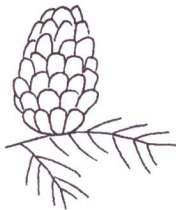

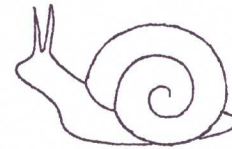

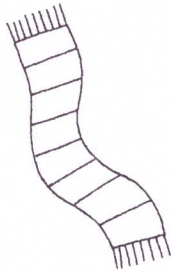

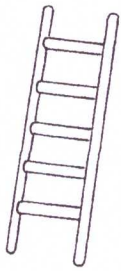

Dopiš na cedulky na lavicích chybějící písmena jmen našich spolužáků.
